MAJOR INITIATIONS are **two component** i.e. a **Physical Component** (e.g. 3 day experience in the belly of the 'whale' for the 1st Major Initiation and the '[Near-Death](#)' Experience for the 2nd Major Initiation) and a **Spiritual Component** (presumably conducted by a disincarnate entity – Black Elk for me, a then-deceased native American). The number assigned to the Mistress/Master of the initiation is a Triple Number – i.e. for the Master/Mistress Arhat the number is "222". [Janine "The Machine" SHEPHERD](#), in the "Australian Story" television programme, had the number 222 as her Little Athletics number. Also she competed in a snow-skiing event with the number 106† – 106 is a colel off the 'Number of the Kumeras' – '105', according to AA BAILEY (i.e. the same number as per numerology).

† In numerology one integer greater than or less than is counted as the same number. So the Number of the Kumeras, 105, is the **integer**/number block 104, 105 and 106.

Also the **MAJOR Initiations** have Mistressship and Mastership of the **initiation** where Mistresses and/or Masters educate and prepare (by fasting meditating, etc. – [for a period of 40+ days](#)) the neophyte for the **Physical Component** of the **initiation** as well as actually conducting this test. The normal requirement that two Mistresses/Masters co-operate to initiate the neophyte, with the example being the single person Simon/Peter and the single person Saul/Paul taking the neophyte Jesus up on the Mount of Olives, may be able to be reduced to one if that single Master/Mistress is powerful enough to hold the neophyte in the depressed state for long enough! The two mistresses who initiated me were Beryl STARR, from the Wollongong **Christian Spiritualist** reading Church, and her mentor. ⚠ 40 is known as the [period of initiation](#)

Beryl invited me to come to her circles but I was too mentally weak – I'd only picked up a few days before she gave me the of, "**Having to cross a desert.**" Beryl's mentor I believe participated with her to subject me to the Physical Component of the **3rd Initiation** (Shaman). Beryl told me that her mentor became very sick and recovered by telling me, "**She felt like she was 22 again.**" Beryl was telling me that her mentor was initiated as an Arhat (4th Initiate). Before this I'd participated in a seminar conducted by Denise LINN and I'd been given the Admission Ticket (master) number **11**. Denise had been shot in the stomach and survived (i.e. a near-death experience). When I told Denise that I'd had a dream involving a buffalo she took quite an interest in me! Beryl seemed surprised when I mentioned the phrase 'the third veil' to her!

God ordered Jonah to travel to Nineveh to deliver **God's** message (**about conquest – it's religion remember**), and **Jonah travels** in the near-opposite direction in a ship, [goes below deck to sleep](#) (last sentence 2nd paragraph) and the waves increased. Going below deck is an allusion to the lower manic mind (c.f. **the Last Supper in the 'upper room' or 'Higher Self'/Upper Manic Mind or Body**). The "big fish" (**understood to be a whale**) that swallows him and later disgorges him onto dry land is a classic 'death/rebirth archetype' as what occurred to that woman lost in the hinterland west of Innisfail recently. The day before **her ordeal ended** she said that she was dying - **dying to an old self**. When she was walking to the unoccupied car she found a hessian sack to cover her nakedness as her clothes had been torn from her body in this 17 day ordeal. Being naked is another classic **rebirth** indicator – **we are all born naked**. The fishing hole her husband was at was **Golden Hole** (2nd paragraph of article - in Alchemy the [rubedo stage, or stage signified by the colour gold, is the initiatory phase](#)). Also **at the commencement of her ordeal** she climbed an escarpment or mountain (there's a number of 'Hill Climb Derbies' in the Bible), to get away from the [crocodiles](#) and it was emphasised how dangerous **crocodiles** are. (The [crocodile](#) is one of about 10 initiatory animals according to author Mircea ELIADE - see file [<RitesSymbolsInitiation.pdf>](#) - the last line of page 1.)

*I remember the circumstances of my "Birth of Christ in the heart" (chakra) – 1st Initiation. I painted myself on a white horse wearing a white robe. When it came time for me to describe what I'd painted I told my psychologist, the senior supervisor of the Art Therapy Class, "I know I'm not Jesus – but its like I'm him." **She froze!** I have an idea that two initiators need to be (normally) present at the **minor initiations** too!*

- 1/ At the end of the second line of the SpreadSheet the **high ACHIEVERS** files are referred to.
- 2/ In the “**MASTERY OVER**” column for the 3rd Initiation (row) the file <InitiationHuman+Solar.docx> is referred to.
- 3/ In the lower section of the table/SpreadSheet (i.e. the top half of the preceding page), for the more-advanced Initiations the purple asterisk symbol (i.e. ***) is used, and the viewer of this SpreadSheet is referred to the file <dimensions.pdf>.
- 4/ A person’s guide(s) are given at this point and this happens for all 5 MAJOR Initiations - end of first line below the 9th Initiation.
- 5/ Near the end of the third-last line of the SpreadSheet the file <RitesSymbolsInitiation.docx> is referred to.
- 6/ The neophyte is **INITIATED under Capricorn**** for the five MAJOR Initiations and the neophyte works her/his way through the signs of the zodiac in the reverse to normal order, starting from Leo, which is “the gateway to the experience”. I have excerpted the following, “... Capricorn admits the soul into conscious participation in the life of that world centre which we call the Hierarchy. But it is only on the reversed zodiac that the man learns to pass with equally conscious purpose through the gate of Capricorn. Five times he has to pass through that Gate in full waking consciousness and these five happenings are frequently called the five MAJOR Initiations***.” - paragraph 8

** Part I I remember the Jungian Analyst I had contact with from the mid-1980s, when I was having very serious Mental Health Problems asking me, “*How soon can you come up here John?*”. I’d just recited a Dream I’d had just before this 1-to-1 meeting with him. The Dream was about a small, white-haired goat (Astrological Sign Capricorn) butting me in the rear end in a very small, about-to-be-harvested corn-field, where I couldn’t see over the ears of corn. I was Initiated soon after this (before mid-1988) and the Jungian Analyst obviously knew that I was ripe for Initiation by his comment in wanting me to stay at his centre for “treatment” (Initiation).

Part II I also remember another Dream, which preceded this one about the goat, where I dived into the mouth of a fully-grown lion (the astrological sign Leo). I was fed up with the behaviour of these public-hospital psychologists, being mentored by this Jungian Analyst, and my reaction of diving into the mouth of a lion is quite in contrast to my normal caution!

Part III I understand now that in context the Dream, about being butted by the goat, meant that I was choosing to discontinue being treated by this Jungian Analyst and transferring over to being Initiated by the elderly female psychic (and her friend/mentor).

Part IV Joseph’s “coat of many colours” (*allusion to his aura*) was dipped in goat’s blood (Capricorn) – Joseph was initiated a World Teacher.

ADDENDUM In the first paragraph of the preceding page I have mentioned that the MAJOR Initiations[†], Initiations 3 to 7, consist of two components – a Physical Component and a Spiritual Component. The minor Initiations may be two component too with the second component, instead of coming from the Spiritual World [Guide(s)], comes from this dimension with the assignment of a mentor(s) who is usually a Therapist(s).

† Initiation III. The Transfiguration – half-way down this web-page, the Third Initiation is mentioned as the first of the MAJOR Initiations.

The “wounded healer”, actually the “recovered-from-his/her wounds healer”, is an Initiate – he/she has not just learnt the process mechanically as they are taught at Uni. – they have actually needed to heal themselves!

NOTE

The 7 Major Chakras, shown to the right, are associated with an organ(s) in the human body. The Initiations start with the Heart Chakra and proceed up the body.

There is only one organ which is associated with two Major Chakras – the Mind. The Mind has a “lower manas”, which is 4-fold and an “upper manas” which is 3-fold - apparently.
